Mr. Walker has been involved in Land Surveying since 1986, when he began working for Smith-Roberts. He has experience in boundary resolution as well as title and records research. Mark spent six years on a survey crew. He has accumulated experience as a surveying and engineering technician.

Mark has managed numerous multi-site, multi-state real estate transactions from apartment complexes to shopping centers. He is responsible for coordinating and reviewing Land Title Surveys for these types of transactions.

Mark graduated from Oklahoma State University in 1999 with an Associate Degree in Land Surveying. Mark worked his way through college while employed as a surveyor and draftsman for Smith-Roberts and Associates. Mark acquired his Professional Land Surveyor license in October of 2006. He is an active member of the Oklahoma Society of Land Surveyors.

Mark was married to Grace Ann Shelton on September 10th 2001. They have one daughter Lillian Sophia who was born on July 28th, 2007.
